Lesson Topics

Full Swing Irons- the most challenging part of the game is hitting the ball off the ground. We will learn how to hit the ball on the downswing and focus on relaxing and fundamentals.

Full Swing Driver- the most fun lesson- tee it up! The first shot in golf and the longest, we will work on the important positions to keep the golf ball straight.

Hybrids- relatively new clubs, hybrids make the game easier. We will hit these funny shaped irons off the ground.

Pitching- the most beautiful shot in golf. This is a high but short shot and can be a lot easier to master once you know the basics.

Chipping- keep the ball low and roll it to the cup. This shot is crucial for good scoring.

Putting- 'Drive for show, Putt for dough'- the most important shot in game and the equalizer for players of all levels.
