

Ladies League Rules 2021

Thank you for participating in the Osgood Ladies League!

Please follow these rules for 2021:

USGA Rules are in effect

Play is from the red tee box

Play is a scramble. Take the best player's shot every time. Continue to play from the best shot until the ball is holed and your team has recorded a team score on your scorecard.

Because your team can bring any 5 players each week to sub for your missing teammates, your team does not get additional shots for players that are not in attendance. For example, your team has 5 players but only 2 are playing this week. Each player gets 1 shot only.

Because we are playing for gift certificates, any discrepancies in scoring will result in disqualification

There are no 'mulligans', do-overs, foot wedges, gimmies, etc.

Pace of play is very important. As soon as the group in front of you is a safe distance away, please tee off. Please keep up with the group in front of you. Let faster groups play through.

The expected pace of play is 2 hours. Teams should be able to complete their round in this amount of time to ensure that all teams are able to finish before sundown.

Your team does not have to turn in a scorecard at the end of the round. If your team is just playing for fun, let the staff know you're not turning in a scorecard.

Thank you for making this league great!
